Frequently Asked Questions

Q. Why are newborn sessions more expensive than other children's sessions?

- A. 1. PROPS. Every fabric, outfit, wrap, and hand made item has been specifically chosen to create beautiful artwork and your baby's comfort.
2. Flexibility. SCP promises ample time slots for clients that schedule prior to baby's arrival. 5-10 day old babies are ideal for the Bambino Sessions.
3. Time. Bambino Sessions take a minimum of two hours to shoot.
4-6 hours to edit the session.
4. ARTWORK. This is not just a photograph. SCP is creating a work of art you will cherish forever. FOREVER!
Ask yourself.. what do you want more? Two-three dinners out with your significant other, or a timeless tiny baby portrait that will make you smile and cry at the same time?

I promise you, nobody has EVER regretted having newborn portraits taken.

Q. What does the session fee include?

- A. Time, talent, props, professional equipment and knowledge.
Creativity, patience, a warm studio, an online proof gallery posted within one week of your session, and social media sneak peek.
~ 24-60 images to choose from ~ prints/packages/digital images are purchased separately~
